IXTAPA, MX • NOVEMBER 11-13, 2024

## 2024 IEEE ROPEC

2024 IEEE International Autumn Meeting on Power Electronics and Computing

Ixtapa, MX • November 11-13, 2024

**WE ARE REALLY DELIGHTED YOU JOIN US!!!**

The IEEE GT&D-LA is the most important event in Latin America of its type, which broadly addresses the problems and opportunities in the electricity sector, while IEEE ROPEC has established itself as an international conference, leader in Latin America, in Power, Electronics and Computing. This year they merge to provide an event of great value for professionals from industry, research and academia. The conference will have different professional activities which together will strengthen the future development of the sector with relevant short and long term visions of electric sector keynote players. This conference is jointly organized by the IEEE Power and Energy Society and the IEEE Centro Occidente Section.

# NUEVA ENERGÍA PARA UN PLANETA MEJOR

[www.accionamx.com](http://www.accionamx.com)

Somos la mayor compañía energética global que, desde hace más de 30 años, opera exclusivamente en tecnologías renovables. Sin legado fósil en nuestra trayectoria, nos situamos en vanguardia del proceso de descarbonización con soluciones avanzadas que permitan a empresas, instituciones, negocios y particulares reducir su huella de carbono. Aceptamos el reto de crear nueva energía para un planeta mejor.
